

# Public Notice:

Pranic Healing Practitioners are not licensed physicians or surgeons, but medical doctors can be Pranic Healing Practitioners.

Pranic Healing sessions are not licensed by the state but are complementary to healing arts services licensed by the state. Pranic Healing is not intended to replace orthodox medicine, but rather to complement it.

Pranic Healing Practitioners do not physically touch recipients/clients.

Pranic Healing Practitioners do not make medical diagnosis.

Pranic Healing Practitioners do not prescribe medications or medical treatments.

Pranic Healing Practitioners do not interfere with the prescribed medications and/or with medical treatments.

Master Choa Kok Sui Pranic Healing® is a highly developed system of energy based healing techniques that utilizes “prana” to balance, harmonize and transform the body’s energy processes by cleansing, energizing and balancing the body’s bio-electromagnetic field, or aura.
